Town Warrant

STATE OF NEW HAMPSHIRE

(SEAL) To the inhabitants of the Town of Claremont, in the County of Sullivan in said State, qualified to vote in town affairs:

You are hereby notified to meet at the lower assembly room and the room above said assembly room, both in the Town Hall, in said Town, on Tuesday, the ninth day of March next, at eight o'clock in the forenoon to act upon the following subjects:

1. To choose all necessary town officers for the ensuing year.
2. To elect one Selectman who shall serve for three years.
3. To choose one member of the board of three trustees who have the custody of all the trust funds of the town, to serve three years.
4. To elect one Sewer Commissioner who shall serve for three years.
5. To elect one Water Commissioner who shall serve for three years.
6. To choose a committee for Stevens High School for the ensuing year.
7. To choose three members of the Board of Trustees of Fiske Free Library to serve for a term of three years.
8. To see if the Town, will choose or appoint a committee of citizens to act as a Committee of Finance, whose duty it shall be to investigate all proposed appropriations, previous to the next town meeting, and report their recommendations at said meeting.
9. To see what sum of money the Town will vote to raise and appropriate to pay Town Officers for the fiscal year ending January 31, 1927.
10. To see what sum of money the Town will vote to raise and appropriate for Incidental Expenses of the Town for the fiscal year ending January 31, 1927.
11. To see what sum of money the Town will vote to raise and appropriate for the repair of Highways and Bridges including State Aid Maintenance and Trunk Line Construction and Maintenance.
12. To see if the Town will vote to raise and appropriate the sum of \$3000. for the purpose of building new sidewalks and repairing those now in use.
13. To see if the Town will vote to build a permanent Highway on Washington Street, from the present permanent road near the Blanchard residence to meet the State Aid Road near the Junction of Moody avenue, raise and appropriate \$10,000 therefor, or borrow the same on the credit of the town.
14. To see if the Town will vote to raise and appropriate the sum of \$3,500. for building a permanent road from the Railroad crossing on Pleasant Street to meet the permanent road on West Pleasant Street at the junction of Pleasant and West Pleasant streets.
15. To see if the Town will vote to raise and appropriate the sum of \$1,000. for the repair and improvement of Tyler street.

16. To see if the Town will vote to raise and appropriate the sum of \$5,000. to construct a cement road from the present cement road on Broad Street, along west side of Park on Broad Street to Pine Street and Pine Street to Pleasant Street.

17. To see if the Town will vote to build a permanent Highway and Walk with proper Gutters from the end of the Permanent Road now on Hanover Street, to the George H. Stowell Memorial Hospital and raise and appropriate money therefor, or borrow same on credit of the Town.

18. To see what sum of money the Town will vote to raise and appropriate for Sprinkling, Oiling and Cleaning Streets and Highways of the Town for the year ending January 31, 1927.

19. To see what sum of money the Town will vote to raise and appropriate for the support of the Fire Department for the year ending January 31, 1927.

20. To see what sum of money the Town will vote to raise and appropriate for the use of Hydrants for the fiscal year ending January 31, 1927.

21. To see if the town will vote to discontinue the road known as the Spring House Road running from the State Road to the Spring House Farm so-called in the Southeast part of the Town.

22. To see if the Town will vote to raise and appropriate the sum of \$12,500.00 to purchase a motor driven Combination Pump and Hose Fire Truck.

23. To see if the Town will vote to raise and appropriate the sum of \$500.00 for the installation of three Fire Alarm Boxes; one to be installed near the corner of Forest and Grant Streets, one to be installed near the corner of Mulberry and West Pleasant Streets, and one to be installed near the corner of Grove Street and Laurel Road.

24. To see what sum of money the Town will vote to raise and appropriate for Street Lighting for the year ending January 31, 1927, and pass any vote relating thereto.

25. To see if the Town will vote to extend the Water System on Washington Street to a point near the Dunsmoor Farm and raise and appropriate money therefor.

26. To see if the Town will vote to extend the water system beginning at a point near Moody Avenue on Washington Street to the Charron Farm, then across Sugar River by the ford-way and out to the Bergeron Farm in the Puckershire District.

27. To see if the Town will vote to raise the sum of \$18,000.00, to pay for laying the water main and installing hydrants, from Moody Avenue, on Washington Street to the Bergeron Farm so-called in the Puckershire District.

28. To see what sum of money the Town will vote to raise and appropriate to pay the Debts of the Town, including bonds of School District maturing during the fiscal year, and interest on same.

29. To see what sum of money the Town will vote to raise and appropriate for the support of Stevens High School for the fiscal year.

30. To see if the Town will vote to direct the Stevens High School Committee to remove the iron fence located along the Broad Street and Summer Street sidewalks of the High School yard.

31. To see if the Town will vote to raise and appropriate \$1200 for the erection of an iron fence along the Broad Street and Summer Street sidewalks of the High School yard.

32. To see if the Town will vote to raise and appropriate the sum of \$5,500.00 for the support of Fiske Free Library agreeably to the contract with Andrew Carnegie and Samuel P. Fiske.

33. To see if the Town will vote to raise and appropriate the sum of one thousand dollars for the purpose of providing further space in the basement of the library building for the use of the Historical Department and for the purpose of arranging and displaying the Stevens collections.

34. To see if the Town will raise and appropriate the sum of \$4,500.00 to make burials; to take care of, and beautify the cemeteries of the Town.

35. To see what sum of money the Town will vote to raise and appropriate in aid of the Claremont General Hospital.

36. To see if the Town will vote to raise and appropriate \$1,000.00 to help carry on the work of the Red Cross Public Health Nurse.

37. To see if the Town will vote to raise and appropriate sufficient money to provide suitable quarters for the Public Town Nurses.

38. To see if the Town will vote to raise and appropriate the sum of \$5,500.00 for the support of the Monadnock and Barnes Playgrounds, including a sum of not over \$1,000.00 for the purchase of land adjoining Monadnock Park.

39. To see if the Town will vote to raise and appropriate the sum of \$2,000.00 for the maintenance and development of Moody Park.

40. To see if the Town will vote to build a second story on the Lobby Building to be used as a Court Room and Police Office, or to make other provision for the Municipal Court and Police Office, and raise and appropriate money therefor.

41. To see if the Town will vote to direct the Claremont District School Board to petition the Superior Court for permission to apply that part of the income of the Burbee Legacy that comes to the School District Treasurer to the carrying out of the health and physical welfare program of the Public Schools under such conditions as the School Board and the Board of Health may jointly consider advisable. The School Board refers this to the voters since they find it impractical to carry out the provisions of the legacy, while the funds are accumulating and are idle.

42. To see if the Town will raise and appropriate the sum of \$1,400.00, the same to be used for rebuilding the piano in the Lower Hall, for replacing and rebuilding the scenery in the Opera House, and for the necessary repairs upon the building proper.

43. To see if the Town will vote to raise and appropriate the sum of \$500 for Milk Inspection.

44. To see if the Town will vote to raise and appropriate the sum of \$400 to be expended in cooperation with the State Department of Forestry in continuing the White Pine Blister Rust Eradication Work.

45. To see what action the Town will take in regard to the collection of garbage and refuse and raise and appropriate money therefor.

46. To see what sum of money the Town will vote to raise and appropriate for Band Concerts by the American Band for the ensuing year.

47. To see if the Town will vote to raise and appropriate the sum of \$250 for Memorial Day.

48. To see if the town will vote to raise and appropriate the sum of \$2000 to be added to the appropriation of \$2500 raised and appropriated last year for the purpose of installing Public Toilets with outside entrance, in the basement of the Town Hall.

49. To see if the town will vote to instruct the Selectmen to employ a Motorcycle Policeman to assist in enforcing motor vehicle laws, etc.

50. To see if the Town will vote to authorize the Selectmen to sell the installation of the ornamental street lighting system to the Vermont Hydro Electric Corporation.

51. To see if the Town will vote to purchase a stone crusher for the Highway Department and raise and appropriate the money therefor.

52. To see if the Town will vote to purchase the bonds for the Tax Collector and Town Clerk.

53. To see if the Town will vote to install street lights, one near the corner of Spaulding and Curtis Streets, one near the corner of Osgood Avenue and Benton Avenue, one on Yale, one on Harvard Street, one on Dartmouth Street, and two near Bridge at Beaugard Village.

54. To determine the rate of discount the Town will allow persons paying their taxes within such period as the Town may designate.

55. To see if the Town will accept from E. B. Osgood, a parcel of land 40x70 feet to be used as a Common, in the fork of the road at the junction of Chase, South and Chestnut Streets.

56. To see if the Town will vote to extend the Water Main to Sullivan Street Plat.

57. To see if the Town will instruct the Road Agent to clear out sidewalks with the snow plow or otherwise and break out the roads so that the following streets may be used for traveling in the winter season:

Timson Street, Spaulding Street, Timson Street Extension, Curtis Street, Bavier Street, Clark Street, Everett Street, and such other streets as may lie north and south of Maple Avenue between the residence of Edward E. Lewis and the Claremont Junction.

58. To transact any other business that may legally come before said meeting.

Given under our hands and seal this twenty-second day of February Nineteen Hundred and Twenty-six.

A. L. FITCH

 \$ 845 50

 \$ 4,647 93

Total receipts of the Town Building, for year
ending January 31, 1926 \$ 2,373 20

The Opera House has been used five times and the
Lower Hall fourteen, from which no rentals
were received. Had the regular rates been
charged, it would have amounted to 353 00

Placing the rental of the two offices at \$250.00
each, it would amount to 500 00

And the basement for storage at 175 00

It would give the Town Building an earning
power of \$ 3,401 20

NOTE—An itemized list of the rentals is on file at the Select-
men's room and can be seen at any time.

RAY E. TENNEY, *Treasurer*

SUPERINTENDENT'S REPORT

From January 1, 1925, to December 31, 1925

Main Pipes have been extended during the year as follows:

- In Beechmont street, 525 feet of 2" pipe.
- In Bellic street, 109 feet of 2" pipe.
- In Beauregard street, 140 feet of 2" pipe.
- In Bonnie Lea Drive, 50 feet 2" pipe.
- In Charles street, 67 feet of 2" pipe.
- In Citizens street, 431 feet of 2" pipe.
- In Congress street, 98 feet of 2" pipe.
- In East Junction Road, 3064 feet of 6" pipe.
- In East Junction Road, 420 feet of 2" pipe.
- In Francis street, 674 feet of 2" pipe.
- In Highland avenue, 90 feet of 1½" pipe.

In Junction road, 51 feet of $1\frac{1}{4}$ " pipe.

In Mulberry street, 106 feet of 2" pipe.

In Pearl street, 173 feet of $1\frac{1}{2}$ " pipe.

In Pine avenue, 277 feet of 2" pipe.

In Rowe street, 171 feet of 2" pipe.

In South street, 96 feet of 6" pipe.

In Spofford street, 116 feet of 2" pipe.

In Twist Back road, 258 feet of $1\frac{1}{4}$ " pipe.

In West Terrace street, 382 feet of 6" pipe.

Total number of feet of main pipes extended during the year: 7,298.

Main pipes have been relaid during the year as follows:

In Bond street, 131 feet of $1\frac{1}{4}$ " pipe to replace 131 feet of 1" pipe.

In Front street, 50 feet of 6" pipe to replace 50 feet of $1\frac{1}{4}$ " pipe.

In Main street, 944 feet of 10" pipe to replace 609 feet of 6" cement pipe, and 335 feet of 6" iron pipe.

In Main street, 24 feet of 6" pipe to replace 24 feet of 4" cement pipe.

In Mulberry street, 399 feet of 6" pipe to replace 250 feet of $1\frac{1}{4}$ " pipe and 149 feet of 4" pipe.

In Terrace street, 526 feet of 6" pipe to replace 526 feet of 2" pipe.

In Vine street, 386 feet of 6" pipe to replace 386 feet of $1\frac{1}{2}$ " pipe.

Total number of feet of main pipes relaid during the year: 2,460.

Total number of feet of main pipes laid and relaid during the year: 9,758.

The number of feet of main pipes December 31, 1925, are as follows:

267 feet of 24" cement

8217 feet of 12" cement

6957 feet of 8" cement

12401 feet of 6" cement

9996 feet of 4" cement

7034 feet of 20" iron	
444 feet of 16" iron	
5756 feet of 12" iron	
27297 feet of 10" iron	
15841 feet of 8" iron	
44578 feet of 6" iron	
6534 feet of 4" iron	
26379 feet of 2" iron	
13515 feet of 1½" iron	
5310 feet of 1¼" iron	
1575 feet of 1" iron	
Number of feet of cement pipes	37,838
Number of feet of iron pipes	154,263
	<hr/>
Total number of feet on December 31, 1925	192,101
Equal to 36 miles and 2,021 feet.	

Street Gates set during the Year as follows:—

In Beechmont street 1-2"
 In Bellic street 1-2"
 In Bond street 1-1¼"
 In Citizens street 1-2"
 In East Junction road 2-6" and 1-2"
 In Francis street 1-2"
 In Front street 1-1¼"
 In Junction road 1-1¼"
 In Main street 3-10"
 In Maple avenue 1-6"
 In Mulberry street 2-6"
 In Myrtle street 1-4"
 In Pearl street 1-1½"
 In Rowe street 1-2"
 In Twist Back Road 1-1¼"
 In Terrace street 1-6"
 In Vine street 2-6"
 At Dole Reservoir 2-4"

Number of Street Gates set during the year	25
--	----

Street Gates removed during the year as follows:

In Bond street 1-1"

In Main street 3-6"

In Terrace street 1-2"

In Vine street 2-1½"

Number of street gates removed during the year	7
Total number of street gates December 31, 1925	407
Total number of blowoff gates December 31, 1925	17
Number of public hydrants added during the year	6
Total number of public hydrants December 31, 1925	129
Total number of private hydrants December 31, 1925	40
Total number of hydrants December 31, 1925	169
Number of services added during the year	63
Total number of services, December 31, 1925	1619
Number of services relaid during the year	59
Number of meters set during the year	63
Total number of meters December 31, 1925	1165
Number of leaks in main pipes during the year	3

The total cost of extending the 6" main pipe to West Claremont cemeteries, including two hydrants was \$4,900.43.

96,979,950 gallons of water were taken from the White Water brook supply during the year.

The Fitch farm "so-called" on Green Mountain has been purchased by the Water Department; the price paid being \$2,500.00.

20,000 pine trees were set out during the year, making the total number set, 63,000.

JAMES L. RICE, *Superintendent*

Claremont Playground Commission

BARNES PLAYGROUND

To the Citizens of Claremont, N. H.

We submit herewith a report of the conduct of Barnes Playground during the past year.

Equipment was added to the children's corner during the past year at a cost of about \$300., the balance of the appropriation being spent on supervision.

This playground was in charge of Miss Irene Sargent, who worked very successfully with the children. The children's corner was under supervision from June 22nd to Sept. 4th, being open only in the afternoon for the first few weeks, while summer school was in session in the morning.

The attendance for this period was 3575, which indicates the need for a playground in that section of the town, especially for the younger children.

The season was brought to a close with a pageant on Monadnock Park, the children from both playgrounds taking part.

MONADNOCK PARK

To the Citizens of Claremont, N. H.

We submit herewith a report covering the maintenance and development of Monadnock Park during the past year.

All activities have been kept in operation, including the children's corner, baseball field, tennis courts, rifle range, shower baths, and skating rink.

The children's corner was under the direction of Miss Marion Curtis, with an attendance of 9,207, during the period from June 22nd, to Sept. 4, 1925.

Up to the present time the baseball field has been utilized

for football; but this year the area directly east of the tennis courts has been partially filled to an average depth of about two feet, for the purpose of completing a football field and a running track around it.

About 2000 loads of dirt have already been deposited there, approximately 500 of these coming from the excavation for the addition on the Way School; and the balance contributed by the Sullivan Machinery Company. This fill is coming to the park from the Sullivan foundry on North street, on an average of 20 loads a day, for which the Commission thank them.

It will be necessary to have some additional land for this football field; and also to purchase and draw the top fill. For that reason we are asking for an additional appropriation of \$1,500 this year.

We wish to take this opportunity to express our appreciation for the co-operation given us by the Board of Selectmen.

We would ask that the public assist the development of the Park, by directing that ashes and other material be sent there, when taken from their homes, or places of business.

C. ISABEL DUTTON, *Treasurer*

Report of Library Trustees

The year 1925 was the busiest in the history of the library. It had the largest circulation of books and magazines for home use, more users of the reading room and children's room, greater activity in the reference department by pupils and others, and more visitors.

The addition of a third member of the staff, made possible by the larger appropriation at last town meeting, has helped to answer the demands.

Mrs. Ide and Miss Sanborn attended an interesting and profitable meeting of the New Hampshire Library Association, held in Laconia in October.

The fiftieth anniversary of the American Library Association, formed at Philadelphia during the Centennial, will be held in Atlantic City and Philadelphia next October.

A telephone installed the past year has proved a benefit both to the library and the public.

The number of gifts and givers has surpassed previous years. Books and magazines for the literary department have come in generous numbers, and the interest in the historical collection has been greatly stimulated by the pleasant room where the contributions are displayed. Visitors finding interest for themselves are often reminded that they have some things others would enjoy, in a place of safety, with perpetual care for treasures they would like to have preserved.

A large amount of valuable genealogical and historical material, obtainable now, if not bought soon may escape us. Several persons have already contributed toward the purchase price. The librarian will be pleased to give further information to any who are interested in this matter.

Gifts have been received during the past year from the following named persons:

Mrs. A. J. Edson, Mrs. George Osgood, Mrs. John F. Jones, Mr. David Roys, Mrs. P. G. Barnard, Mrs. H. H. Mercer, Mr. Gawin Gilmore, Mr. H. C. Bascom, Hon. F. H. Brown, Mr. I. C. Story, Miss Abbie Field, Mrs. H. B. Glidden, Dr. H. C. Sanders, Mrs. M. S. Ide, Mrs. Frank Powers, Mr. C. F. Weed, Mr. H. L. D. Severance, Prof. E. L. Lord, Miss F. L. Stone, Managers of Red & Black, Jewish Pub. Society, Carnegie Endowment, Miss Eleanor Colby, Mrs. Charles French, Mrs. M. R. Dresler, B. N. Bogue, Mrs. H. C. Sanders, Miss Grace Blanchard, (Concord), Rev. Basil Amatoff, Mrs. E. J. Rossiter, Marvin E. Hatch, Heirs of Samuel and Harriett E. McIntire Richardson, Miss Sarah Gilmore, Mrs. Ella Dustin Howe, Mr. Chas. L. White, Mrs. Charles L. White, Mrs. R. B. Upham, Mr. R. P. Dow, Mr. John W. Dow, Mrs. R. D. Hunter, Mrs. Leonard Jarvis, Mr. M. F. Colby, Mrs. R. W. Hopkins, Mrs. I. G. Colby, Mrs. G. A. Tenney, Mr. E. B. Osgood, Mr. Geo. I. Putnam, Mrs. John F. Butler, Mrs. Ella I. Richardson, Miss M. E. Partidge, Mrs. S. R. Putnam, Miss Ruth Young, Mrs. Kate Costello, Miss Effie Blanchard, Miss Nellie C. Lewis, Heirs of George Stevens, Mrs. C. H. Long, Mr. A. B. Kellogg, Miss M. L. Slocum, Mrs. Alta Johnson, Mr. Leon Allen, Mrs. Ernest White, Mrs. George Huntington, Mr. Charles Hunton, Mr. Geo. Hunton, Mrs. Charles Hart, Rev. A. C. Ferrin, Mrs. George H. Wood, Mrs. A. L. Vittum, Mrs. Charles N. Freeman, Mr. A. W. Hawkes, Mrs. Albert Hale, Hon. George B. Upham, Claremont Music Club, Mrs. M. M. Freeman, Capt. H. G. Sherman, Mrs. Emily J. Putnam, Mr. Albert Ball, Hon. J. D. Upham, Hon. H. S. Richardson, Mrs. C. E. Densmore, Mrs. C. E. Whipple, Miss Rosanna Foisy, Mrs. Bernadette Simoneau, Miss A. Barucci, Miss Gertrude Morrison, Mrs. Lillian Champney, Claremont Paper Co., Mrs. Steinfield & Sons, Trinity Church, Mr. E. J. Rossiter, Mr. E. L. Elliott, Mr. H. B. Glidden.

If any name is omitted, it is due to inadvertance, not to lack of grateful appreciation of the gift and the good-will of the giver.

Chief Engineer's Report

The year ending January 31, 1926 was marked by the largest number of alarms in the department's history, a total of 193 alarms being recorded. Of this number 169 were still alarms and 24 were bell alarms. Many of the fires were stopped in their infancy, through the cooperation of the telephone operators in the handling of the calls and because of their prompt discoveries, and in this way the department has been able to minimize the annual fire loss. The bell alarms were as follows:

1925:

Feb. 12—Box 36, 8:45 p. m., Robert Handly house, Hancock street.

Feb. 16—Box 8, 2:20 a. m., Arthur Landry house, Slab City.

June 7—Box 14, 2:45 p. m., A. Beaudry barn, North street.

July 4—Box 22, 12:45 p. m., Frank Godek block, Main street.

July 5—Box 47, 1:55 a. m., Joseph Jozefowecz house, Donald street.

July 17—Box 14, 8:05 p. m., A. Beaudry garage, North street.

Aug. 12—Box 25, 8:40 p. m., Frank Stone house, Broad street.

Aug. 25—Box 26, 9:30 p. m., False alarm, Main and Central streets.

Sept. 18—Box 8, 10:10 p. m., Charles Sear house, Cornish road.

Oct. 6—Box 52, 1:55 a. m., Monadnock Mill barn, Putnam street.

Oct. 9—Box 17, 9:10 p. m., Grist Mill, Pleasant street.

Oct. 9—Box 13, 10:45 p. m., Mrs. Frank Kelsey barn, Meadow street.

Oct. 20—Box 47, 11:58 p. m., Stefano Papotto house, Sunnyside Avenue.

Oct. 23—Box 43, 10:45 p. m., Nolin house, Weathersfield.

Oct. 25—Box 13, 12:45 a. m., Bergeron block, Broad and Tremont streets.

Oct. 25—Box 46, 2:20 a. m., False alarm, Vine street.

Nov. 29—Box 16, 6:55 a. m., Russell garage, Pearl street.

Dec. 2—Box 13, 10:45 p. m., Steam Laundry, Main street.

Dec. 4—Box 13, 2:30 a. m., Liberty Lunch, I. O. O. F block, Pleasant street.

Dec. 5—Box 26, 3:30 a. m., Sullivan Machinery company blacksmith shop, Main street.

Dec. 26—Box 51, 3:50 p. m., Claremont Furniture company block, Pleasant and school streets.

Dec. 28—Box 34, 9:10 p. m., C. W. Delamore garage, Main street.

1926:

Jan. 28—Box 13, 2:45 a. m., Liberty Lunch, I. O. O. F. block, Pleasant street.

Jan. 28—Box 14, 8:12 p. m., C. F. Coutermanche block, Broad street.

The burning of wood and soot-filled chimneys causing chimney fires was the cause of many of the still alarms during the past year.

The report of brush and woodland fires is not included in this report, but may be found under the State Forestry Commission Agent's report.

HYDRANTS

Six new hydrants have been installed during the past year, which have greatly added to the efficiency in the department's handling of fires and are a saving expense in that it is cheaper to maintain hydrants than it is to purchase hose.

FIRE ALARM SYSTEM

The system is in good working order at the present time, but in the near future it will probably be found necessary to make many new improvements.

RECOMMENDATIONS

I would recommend that the town purchase a new Combination motor driven truck. The present combination truck, which was purchased eleven years ago, must in the near future be sent back to the factory for a general overhauling and the department needs the backing of another Combination truck for second alarms, and the 750 gallon pumper with which the new truck would be equipped will be a valuable aid in case of an emergency. I further recommend that the town install three additional fire alarm boxes, one near the corner of Mulberry and West Pleasant streets, one near the corner of Forest and Grant streets and one near the corner of Laurel and Grove streets.

REMARKS

The Central Fire Station has been re-painted during the past year and this has added greatly to its appearance and sanitary condition. The battery room has been improved through the purchase of new elements such as batteries, acids, jars, etc.

During the past year the members of the department have kept up their high standard of efficiency and in minimizing the fire losses and I am deeply appreciative of their splendid cooperation together with that of the citizens of Claremont.

C. E. SEARS, *Chief Engineer*

Report of Chief of Police

To the Honorable Board of Selectmen of the Town of Claremont:

The following is the report of the Police Department for the year 1925, February 1 to November 18, as per records of former Chief Grant Farwell:

The total number of arrests made during this period were 201, as follows:

Drunkenness	126
Operating under influence of liquor	7

Report of Health Officer

To the Board of Selectmen:

I herewith submit the following report of the Health Department of the Town of Claremont for the year ending January 31st, 1926.

Claremont has been fortunate in having a comparatively small number of contagious diseases during the past year. Every effort has been made to trace the origin of each case as soon as reported and an effective quarantine maintained until danger of infection was past.

Any contagious disease is a financial loss to the town, as well as a loss of time and money to the family in which it occurs.

The prevention of disease is today one of the most important features toward the welfare of a town. The helpful agencies of the public health nurse, the infant welfare nurse, the tuberculosis nurse, medical inspection in the schools, health clinics, free serum and vaccine, have proven very efficient in the maintenance of more healthful conditions.

It is now an accepted fact by the medical profession, that diphtheria, which has in the past been one of the worst diseases, totaling a very high death rate, is a preventable disease, made so by the use of a serum, the same as vaccine is used for prevention of small pox. True vaccination will prevent small pox, and true inoculation will prevent diphtheria.

The following contagious diseases were reported to the health officer:

Chicken Pox	4
Diphtheria	17
Measles	2
Mumps	1
Infantile Paralysis	2
Pneumonia	4
Scarlet Fever	30

Tuberculosis	53
Venereal Diseases	20

SANITARY INSPECTION

The important work of this department has been given careful attention and an investigation made of all complaints of this nature, and conditions remedied as far as possible in each case.

The larger part of these complaints are from causes that are preventable, and occur mainly by carelessness or thoughtlessness on the part of the property owner or occupant.

The following complaints were reported and investigated:

Cesspools	6
Dead Animals	17
Defective Drains	7
Dumping Rubbish	28
Garbage	8
Privies	8
Unsanitary Toilets	7
Unsanitary Premises	12
Unsanitary Display of Food	10

Inspection of food products offered for sale and sanitary condition of markets, bakeries, restaurants, hotels, fruit and drug stores, has been made at various times in company with the State Inspector. Conditions in most cases have been satisfactory so far as complying with the Pure Food Law.

Inspections of water have been made and samples submitted to the State Laboratory for analysis, from the Tyler and Grannis systems several times during the year.

Satisfactory reports were received, with one exception, from these tests.

Respectfully submitted,

WILLIAM P. PRESCOTT,

Health Officer

Report of Milk Inspector

In the neighborhood of 100 milk licenses have been issued during the past year and about 200 visits made. Two (2) men have been found selling milk without permits, one man caught bottling milk on the street, and three have been found splitting a quart bottle of milk in order to sell a pint. They have been warned and it has not occurred again to my knowledge, but the next time it does regardless of first or second offense the men will be brought into court.

One producer stopped selling due to his inability to produce clean milk.

The cattle producing milk and cream to be sold in Claremont have been regularly tuberculine tested and less than one-fourth of one per cent diseased cattle found.

There have been quite a number of the small milk dealers go out of business during the past year, so that the work of inspecting the dairies and stores is in a more systematic condition.

Milk samples have been sent to the State Laboratory of Hygiene at Concord and on the whole have been very good, although some very bad samples have been found, principally from herds where there has been more or less trouble in keeping the cattle clean, as far as possible these conditions have been overcome. No samples of adulterated milk have been found, and no contagious diseases traced to milk.

By the time this report is printed all barns will have been scored as was stated last year.

The central milk station which was proposed last year did not materialize due to the excessive expense connected with same and the higher retail price which would follow.

Respectfully submitted,

L. R. HAUBRICH, V. M. D.,
Milk Inspector

Report of Building Inspector

Permits given from Feb. 1, 1925 to Feb. 1, 1926

New church	1

<hr/>	
Total number of permits	78
Increase in number of tenements	55

Pamphlets containing the by-laws of Claremont relating to building, duties of Inspector, etc., may be had at the Selectmen's office.

It has been suggested that new articles should be added to the by-laws that the Inspector might have more authority in regulating building operations, and the following have been drawn up and are submitted for consideration.

ARTICLE 8

No building having a pitch roof of a slant greater than 4 inches drop to one foot of run and built within fifteen feet of the

sidewalks or other passageway used for the convenience of the public, shall be allowed unless the roof is equipped with snow guards so applied that there will be no danger from falling snow and ice striking pedestrians walking on Town Public Property. This act shall apply only to new and alteration work within the Town of Claremont.

ARTICLE 9

The following allowable support for foundations per square foot of bearing surface: on alluvial soils, $\frac{1}{2}$ T., on firm dry loam, 2 T., on soft clay $\frac{3}{4}$ T., ordinary clay 2 T., hard clay on high ground where no water can wash it 3 T., soft wet clay and sand $1\frac{1}{2}$ T., quicksand $\frac{1}{2}$ T., wet sand 1 T., fine sand, firm and dry 3 T., firm coarse sand 4 T., firm gravel and loose rock 10 T. In case of doubt any building having masonry walls above ground shall not be erected until the soil has been tested to the satisfaction of the Building Inspector, and the foundation shall not be installed until his consent has been granted.

ARTICLE 10

All buildings erected in said town shall be designed to support the following minimum live load: dwellings, first floor 40 lbs.; second floor 30 lbs.; apartment houses, first floor 50 lbs.; second floor 35 lbs.; hotels, first floor 80 lbs.; upper floors 50 lbs.; office buildings, first floor 90 lbs.; upper floor 50 lbs.; school buildings, class rooms, 50 lbs.; assembly halls 75 lbs.; churches and theatres 75 lbs.; places of assembly where floors are used for drilling or dancing 120 lbs.; places of public assembly where floors are not used for drilling or dancing 100 lbs.; retail stores, ordinarily 80 lbs.; ware houses 200 lbs. and up; according to the material to be stored; public garages, for pleasure cars only, 90 lbs.; public garages erected to accommodate trucks and tractors, 200 lbs. All so-called flat roofs shall be designed to carry a snow load of 90 lbs., to the square foot.

ARTICLE 11

Reduction of live load. The full live load shall be used in proportioning all parts of buildings designed for warehouses and such buildings as are likely to be loaded on all floors at the same time. In other buildings, the specified live load may be reduced 10 per cent for girders carrying 200 sq. ft. of floor or more. For columns the load on the top floor may be assumed at 90 per cent of the specified live load. The live load on the floor next below the top floor at 85 per cent of the specified live load, and on each succeeding lower floor at correspondingly decreasing percentage, provided that on no floor shall less than 50 per cent of the specified live load be used, and that on first floor the full live load shall be used. No reduction shall be made for any roof load.

ARTICLE 12

No new building or addition to an existing building shall be erected within one-fourth mile of Tremont Square, of frame construction, and the walls either of the outside or any walls built against adjoining property shall be of fireproof construction, excepting the windows or other openings may have wooden jambs and sash, providing they are not in a party wall. If there are any openings in a party wall, they shall be provided with automatic fire doors.

ARTICLE 13

All buildings over 50 feet in height shall be of fireproof construction. No steel or other non-combustible material shall be classed as fireproof, simply because it is non-combustible. All fireproof buildings must have all steel in the framework as well as all reinforcing steel shall be protected from fire by some fireproof material such as brick, terra-cotta, concrete, asbestos or magnesia.

ARTICLE 14

All furnace rooms constructed either inside of the building to be heated or as a separate building shall be of fireproof material and construction. This shall be applied only to furnace rooms where the heating plant will be required to heat at least 30,000 cubic feet of space, and within one-half mile of Tremont Square.

ARTICLE 15

No public garages within three-fourths of a mile of Tremont Square shall be constructed with any wood in the floor construction, excepting the office may have a wood floor laid over a fireproof floor.

ARTICLE 16

No hotel, tenement house or other similar building shall be constructed of wood when the size of the house shall equal or exceed 50,000 cubic feet, unless the walls and ceilings are lathed and plastered with metal lath and at least three-fourths inch of plaster. This article to apply to the entire town.

ARTICLE 17

Fireproofing of buildings. All steel in the slabs of floors shall be protected from fire by at least one-half inch of concrete. All steel in beams and girders shall be protected from fire by at least $1\frac{1}{2}$ inches of concrete or other fireproofing. All columns shall have the steel protected from fire by at least 2 inches of concrete and this concrete shall not be considered as supporting any of the loads implied on the columns. Terra-cotta can be used in place of concrete or any other fireproof material. All interior partitions shall be of fireproof material, casings and other trimmings of fireproof material or any non-combustible material such as marble or steel. This article shall apply to

new buildings or alterations that will be fifty feet or more in height, thereby causing difficulty in fighting fire. In concrete used to protect steel from fire, there shall be no granite, limestone or other material in it that will spall away when it is heated and leave the steel exposed to the heat of the fire.

ARTICLE 18

Every chimney shall be of fireproof material but reinforced fireproof concrete shall be permitted, as well as burned clay products. By fireproof concrete is meant concrete that is composed of Portland cement, sand, cinders (free from ash of coal), blast furnace slag, asbestos or trap rock. No concrete shall be suitable that contains granite, marble or limestone or any other similar material that splinters or fuses at a temperature under 1000 degrees Fahrenheit. This article to be numbered Article 2 and is to take the place of Article 2 in the present building laws.

ARTICLE 19

That Article 5 in the present building laws be changed to read: "All smoke pipes passing through partitions or into partitions built of combustible material shall be guarded either by a double collar of metal with air space of at least 4 inches, or by at least 6 inches of other material that is fireproof and a slow conductor of heat, between pipe and any combustible material.

These building requirements have been drawn up with the thought of increasing the safety of the town in regard to fire and other hazards, and it is believed that it would not cause any hardship upon any person that is contemplating building, as the slight increased cost would be more than offset by the increased value of the building.

FRED B. WAITE, *Building Inspector*

State Forester's Report

CONTROL OF WHITE PINE BLISTER RUST

The following financial statement indicates the necessary expenditures involved in this work.

1925 Town appropriation	\$ 400 00	
State Aid	100 00	
Total available	<u> </u>	\$ 500 00

Crew wages	\$ 474 94	
Expenses	23 55	
Total expended	<u> </u>	\$ 498 49
Unexpended balance Town and State	1 51	
	<u> </u>	\$ 500 00

Town balance	\$ 1 21
State balance	30
	<u> </u>
	\$ 1 51

Area covered	3,186 acres
Average cost per acre	\$0.155
Currant and gooseberry bushes destroyed	11,689
Pine infections located by crew	75

The addition of the 1925 eradication work indicates that a total of 1,587,158 acres have been examined, and that 19,537,-775 currant and gooseberry bushes destroyed therefrom.

Since our last report to your town much has been discovered, not only throughout this state, but in others as well, in connection with the extent of infection on white pines and the damage it is capable of causing. In view of these facts, which are

too numerous to set forth herewith, the Department feels it would be neglecting its duty if it failed to urge a continuance of this work until all the pine areas of your town have received equal protection.

Should there be any information of special interest to you which is not contained in this report, we shall be pleased to further advise you upon request.

JOHN H. FOSTER,

State Forester

Auditors' Statement

We, the undersigned, Auditors of the Town of Claremont, have examined the foregoing accounts of the Selectmen, Town Treasurer, Collector of Taxes, Highway Agent, Overseer of the Poor, Town Clerk, Treasurer of the High School Committee, the Financial Agent of the Fiske Free Library, the Superintendent of the Claremont Water Works, the Manager of the Opera House, Treasurer of the School District of the Town, the Trustees of the Town Trust Funds, the Cemetery Commission, Treasurer of the Claremont Playground Commission, Treasurer of the Moody Park Commission, Treasurer of the Supervisory School District Union, the Accounts of the Claremont Municipal Court and the Treasurer of the Ladies' Union Aid Society (Hospital) and find the same correct with proper vouchers.

HENRY C. HAWKINS,
BERTIRA E. SMALL,
WILLIAM H. FIFIELD,

Auditors for Claremont.

February 1, 1926.

I hereby certify that the following returns of Births, Marriages and Deaths, are correct, according to my best knowledge and belief.

HERBERT C. CHANDLER, *Town Clerk.*

In compliance with an act of the Legislature passed June Session, 1887, requiring "Clerks of towns and cities to furnish a transcript of the record of Births, Marriages and Deaths, to the municipal officers, for publication in the Annual Report," we submit the following:
